karin@awakenpilates.com

Karin Twigg, the founder of Awaken, initially discovered Pilates while living in San Francisco. With her background in dance, Pilates was intuitive and in sync with her personal style of exercise. She loved the way it made her body feel and wanted to share that experience with others. Karin received mat training from Physical Mind Institute then her full certification in The Pilates Method at A Body Prepared in West Hollywood, CA. In August of 2002, Karin moved to Minneapolis to be closer to family and by April of 2003 Awaken was open for business. Karin has done countless trainings with The Pilates Studio of Boulder, CO and went through the Gyrotonic foundation teacher training program in 2004. Karin is a faculty instructor with Balanced Body and offers the Balanced Body training program at Awaken. She enjoys creating unique programs for different client needs and abilities.
